Key Communication

Google Photos

Google Photos is used as a platform to share student learning with families. Your child's class teacher will communicate how to sign up to your child's class profile at the beginning of each year.

Newsletter – Double Bay Public School

A school newsletter is issued every third Tuesday during each term to keep parents informed of happenings in and around the school. The school newsletter will be sent electronically to all families. Current and archived newsletters can be found on the school website, along with many other school documents.

Stage Term Notes

Each stage will send out a note at the beginning of each term. The notes cover specific information about subject focuses, homework, stage specific excursions and important dates.

Sentral Parent Portal

The new parent portal and app empowers parents; keeps you fully updated in regards to your child's attendance and allows you to access your child's semester reports.

Interpreting Support

Double Bay Public School promotes a highly inclusive environment where students and their families regardless of cultural, religious or language backgrounds are supported and encouraged to participate in all areas of the school environment and community.

To assist our parents, we continue to arrange face-to-face and telephone interpreting services and support, where necessary.

The [Translated documents](#) link will assist parents and carers.
